RULES AND CONDITIONS OF GOLD COAST ART FESTIVAL (GCAF) EXHIBITION SPACES

Artists we need to have a few things straight before we start – all sounds very formal yet protects all of us from misunderstandings! Thanks and Lets Get Creative!!!

Membership will be evoked if rules and conditions are not complied to, and you become a pain in the butt.

Gold Coast Art Festival Inc (GCAF) is an **ARTIST RUN INITIATIVE CO-OP**

Current gallery location is: **Urban Paradise Gallery (UP)- Piazza - Surfers Paradise**

This space is a **pop up space and can relocate, shut down at anytime,**

GCAF gallery spaces are subject to space/shop availability and landlords discretion.

Pop Up Galleries run under a sub committee of the Gold Coast Art Festival Inc.

We ask for a \$50 yearly membership fee - towards \$20 million dollar Public Liability for the space.

This is paid on completion of the membership form and valid for 12 months from date signed.

All artwork for exhibition must go through the **UP management sub-committee for approval**. The selection process is 3 – 4 images, mediums and sale prices of work to be displayed - email to info@goldcoastartfestival.com.au, although by doing all that it does not assure or secure acceptance into the space. We will let you know within 7 days if work is successful.

The UP Committee reserves the right to refuse or remove art works that do not meet the selected standard or are hazardous to ones safety or considered offensive. **PLEASE have Paintings ready to hang.**

Now we need to get your name and works out there so you allow the GCAF to take images for promotional tools and to put up on our Facebook and Web pages. Any and all necessary documents or information in support of sales, pass it onto the space, as we will be doing all we can to sell your artwork and promote you as an artist and promote the gallery space – although we encourage you to do the same.

Spaces are available from \$10/week - 1m (width) x 3m (height) – see gallery floor plan. In addition, floor space & table spaces are available. Payment is due, in advance, monthly.

No commission on sales will be taken. All sale amounts go back to the artist. We would need you to have your own EFTPOS machines were possible, if you need to use the Gold Coast Art Festivals payment facilities, that is OK – this will attract a 10% administration fee on all sales processed.

Artists are asked to commit to display their work for a minimum of 2 months, maximum will be discussed, if your work has been on display for 3+ months and we need a space we may have to ask you to moved over a little, to allow other opportunities. On departing the gallery we require that the area you have used be returned in the condition found, free of marks and/or damage.

You will have to obligate yourselves to work in the gallery to a minimum of 3 days a month, you can do more, during that time we ask that you **NOT ONLY** promote yourselves and your work, but you work together and help promote and sell each others works. Artist run initiative, remember! Therefore, duty roster days are to be set and confirmed at the commencement of each month. (For example if it is 25th June we need to have July's days written on the roster.) If you are too busy, or just too lazy and unable to help out a fee of \$30 per month will be required, if this fee is not paid artwork will be removed.

If you wish to have a solo show and would like the entire space for yourself for a month, what great motivation. You can rent the space for \$500 per week and it is yours! Please discuss with Frederic

GCAF will maintain Public Liability insurance, yet, all artwork will be covered by YOUR own insurance if desired. All reasonable efforts will be made to protect artwork from accidental damage, breakage, theft, vandalism, fire although GCAF Gallery **does not** take any liability for such an event. Insurance liability for accidental damage, breakage, theft or vandalism, fire **is not** provided by Gold Coast Art Festival Inc. or any galleries / spaces run under the GCAF identity.

Please don't remove or exchange your artwork without letting us know, we do not want to accept one piece of work and then come in the next day to find something completely different – or a big bare space.

The space needs to be kept in a highly presentable state, if it is an unrenovated industrial looking space, we still need to keep it looking good. So **PLEASE DO NOT** stick brochures, advertising or promotional material on the wall! Ask us first! An A4 laminated CV can be displayed, portfolios, etc. Keep the space looking smart!

We will let you know when you need to collect your artworks – so, work exhibited will not be removed until such agreed date, unless previously organised by our Management Committee.
